---

The meeting was called to order at 10:08 AM.

**Announcements**

- Meeting times will be bi-weekly this semester. Committee members are asked to block their schedules at the announced time. If sufficient business is not on the agenda, then a meeting will be canceled. Ben needs to check with ME for their EC / Dept faculty meeting times before settling on day/time. Tuesday at 10 AM is the target.
- Dr. Munson announced a couple of major topics expected this semester
  - Admission to major and advancement to major, modification to Bridge program
  - New UW-System Applied Computer Science program, cross-campus, isolated student body. Will need new curricular code and many new courses to adopt.
  - Expectation for new Biomedical Engineering (BME) courses to consider.

**Approval of Minutes:** Minutes of the April 14, 2016 meeting were approved by automatic consent.

**New Business**

- 1) Curriculum Committee Chair - nominations and election  
Dr. Church was nominated by Law, no other nominations received. Law (Church) moved to elect Church as Chair for 2016-17 year. Motion carried.
- 2) CS 160, Introduction to Computer Game Design and Programming (U); new course  
Law (Xu) moved to approve. Motion carried.
- 3) CS 152, Computer Programming I, (U, inactive), Discontinue  
D'Souza (Law) moved to discontinue the course. Motion carried.
- 4) IE 420, Tool Engineering, (U/G, inactive), Discontinue  
D'Souza (Law) moved to discontinue the course. Motion carried.

**Other Business**

None

Meeting adjourned at 10:37 AM
