Guest: Marisa Jablonski

---

The meeting was called to order at 12:07 PM.

**Announcements**

- None

**Approval of Minutes:** Minutes of the February 17, 2017 meeting were approved by automatic consent.

**New Business**

1. EE 474, Introduction to Control Systems, (U/G), prerequisite change. Jang (D'Souza) moved to approved. Motion carried.
2. BME 101, Fundamentals of Biomedical Engineering, (U), prerequisite change. Xu (D'Souza) moved to approve. Motion carried.
3. BME 320, Engineering of Biomedical Devices I (U), prerequisite change. D'Souza (Xu) moved to approve. Motion carried,
4. ME 635, Sustainable Design for Community Development, (U/G), Co-listed with NURS 635 and FRSHWTR 635, new course. D'Souza (Jang) moved to approve. Motion carried pending inclusion of prerequisite (Mecheng 320 or grad standing) to CAR form.

**Other Business**

1. Engineering Core  
Continued discussion; Church / Munson reported that no progress has been made over break. Discussion included potential for adapting Honors Program for engineering students. This would require CEAS to create honors sections of either new or existing courses.

Meeting adjourned at 12:50 PM
