

College of Engineering and Applied Science
Minutes of CEAS Curriculum Committee Meeting

Date:	22 February 2018
Place:	EMS E371
Members Present:	Roshan D'Souza, Guangwu Xu, Hamid Seifoddini, Adeb Rahman, Ben Church (Chair), , Todd Johnson (Ex Officio)
Members Absent:	Ethan Munson (Ex Officio), Weizhong Wang
Guest:	None

The meeting was called to order at 12:04 PM.

Announcements

- None

Approval of Minutes: February 8, 2018 meeting were approved by automatic consent.

New Business

- 1) None

Old Business

- 1) Review of Curriculum Committee charter (to be discussed next meeting)
- 2) First-year engineering courses. Members brainstormed on topics of interest for first-year engineering students that are at a pre-calc math level. A list of the topics mentioned are attached. Dr. Wang provided content electronically prior to the start of the meeting. Future discussions are planned to refine this list and ascertain applicability to various programs/majors within CEAS. As part of this discussion, Todd Johnson provided an example/hypothetical curriculum revision (attached) that would incorporate a first-year engineering experience course in Electrical Engineering.

Other Business

None

Meeting adjourned at 1:00 PM
